MONTHLY BULLETIN OF THE QUINTE AMATEUR RADIO CLUB

March 31, 1953.

Next Meeting - Time - 7.30 p.m., Wednesday, April 8, 1953.
Place - R.C.E.M.E. Centre, Pinnacle Street.
Programme - Field Day, Field Day, and more Field Day. This is the big meeting, so bring yourself and all your ideas along. Please make a note of all equipment which you have that could be used this coming June.

President's Corner

It was good to see such a fine turnout at last meeting. I'm sure we all enjoyed Bud's fine talk. It was very kind of him to give us so much of his valuable time. Many thanks, Bud!

April meeting will feature a discussion on Field Day (and a talk by Ken Cairnes on his trip to the "Do" at Scarboro). Maybe you don't think much of Field Day; a lot of you evidently pass up this event. Certainly we could stand more help than we got last year. A visit from you on Sunday at 4 p.m. isn't much of a contribution to Field Day. We have 60 members. Why can't we have 60 people at the site at noon on Saturday? There is work and fun for all. This year for those who come out and stay out all night there will be a new mobile converter given away as a prize. This converter covers 80-40-20-10 meters, value - \$75.00. Tickets will be sold to all whether or not you take part in Field Day, but participants will be given one ticket free. These arrangements are not definite, - the final arrangements will be made at a general meeting, maybe this one. So if you have any ideas, be there and let's hear them. We have Fred Hammond's prizes also for Field Day, and Harry Pitt is working on other angles. There will be lots to eat, lots of prizes, and lots of fun, and we will make lots of points. This is it, fellows, at next meeting. Let's see you there.

Pres. Howard 3CAB

P.S. Would like to mention that there are still 16 members now 3 months overdue in their membership dues. Let's have the \$2.00, fellows! We need it and you need us.

"HELLO, OLE TIMER"

By D. R. Sheehan, VE2DG.

When you lose the thrill of a QSO
With a W-one or two,
When the fact that you're heard in some far distant land
Just doesn't mean nothing to you;

When sending a card is a burdensome task
And a "listeners" card is taboo,
It's time you pulled switches and closed up the shack-
For there's nought in this game for you!

When you snub a beginner, when a 'chirp' is a crime,
And a QRS plea you abhor,
You better get out of ham radio, friend-
There's no fun for you here anymore.

I like to slow down when I'm working a novice;
Sure--tell him his keying is fine,
And when he comes out with that "Pse QSL",
Believe me, the pleasure's all mine!

If you would enjoy this old radio game
Just pause and hark back o'er the years--
If you hooked you a 'seven' you thought you'd done fine,
And to lose him reduced you to tears.

You've got to think back to your lid days again
And remember that this is quite true:
You must do unto others in the amateur world
As you'd have them do unto you!

Dimbulb's Corner

Dimbulb is boring holes in the crate to mount the mobile 6 meter rig. Time permitting, we should be mobile by April 1. VE3RR has the new modulator going and sounds good. VE3NN has a spot of TVI since increasing the modulation. VE3ABG is putting out a beautiful signal on 6. Art Loyd is working all the gang from Picton and we have reports of a new 6 meter station in Wellington. We are still waiting for Alex on 2 meters. He hopes to be on soon.
