Membership is open to anyone having an interest in Amateur Radio. It is not necessary to be a licensed Amateur to be a member. The President for 1978 is Ron Chapman VE3IVC, 549 Sidney St., Belleville, Ont. K3P 4A4 - 966-2910. The Secretary is Sandra Campbell VE3HON, 149 Wright Ave., Belleville, Ont. K8P 4E2 - - 962-3960.

Date of Meeting 11 Jan 1978

Time 8' PM.

Place Loyalist College, Kente Building
Room 3L10.

Program

1. Don Newlands VE3HGN covered the story of the supertanker trip through the northwest passage. He has an interesting film of this trip and will present it to us at the meeting.
2. Presentation of the Reg. Varcoe award.
3. Appointment of 5 Club Directors by the exectuive.

Repeater News

VE3IVL auto-patch repeater is back on the air after being rebuilt. Any reports of malfunction, suggestions for improvement etc. should be directed to Hal VE3ESA.

Under the Weather

Bert VE3AQI had a session in the body shop - back home now and doing fine. Tim VE3HCM also had a session in the same place. Doing OK & back on the job.

Big Storm Dec. 5

Jerry VE3HBR made Tweed Ok with one overshoe no shovel and on the left hand side of the road. Rick VE3EJB even made it to the 4th of Thurlow. Brian VE3HWU decided it was not too bad - he climbed his tower to put in a bolt. After supper yet!

Henry VE6CEC

Had a nice QSO with Henry in Calgary thanks to Bill VE3HBS giving me a call on the land line. Henry will be on Sundays at 2 PM our time at 14135. Especially on the Xmas holidays - so watch for him.

Congrats.

to Larry VE3IVO who now has his advanced.

Elections

The following were elected as the executive for
1978 / /

President	Ron Chapman	VE3IVC.
Vice President	Dick Maki	VE3HPN
Secretary	Sandra Campbell	VE3HON
Treasurer	Glen Campbell	VE3CJG

As is becoming a tradition on election night. we gave the outgoing president a hard time, but President AL VE3HNJ took it all in his stride with his usual good humour.

Reg Varcoe Award

Won by Aurel Cassie VE3GYE on the basis of his contribution to the ONTARS net.

Bill Thompson Award

To be made at the January meeting. Bring your scores with you separated by band & mode & totalled.

New Members.

Bob Derry VE3ARM Frankford.
Reg. Letourneau VE2DEY Trenton.

Silent Key

We regret to report the passing of Norm Smith VE3AXK in Kingston. Active years ago on 2M-AM. Norm was well known in the area.

New Regs. in Force

New D.O.C. regs. require buyer to declare his name & address & to declare he has read that linear amplifier is illegal on C.B. Band. Vendors must turn in declaration to D.O.C.

QSL Cards

Centennial QSL cards are now at the printers. We hope to have them available at the January meeting.

RSO Convention

To be held in London in 1978. Not too early to start thinking about it. Watch for details in RSO & CARF Bulletins.

O.T. in for Repairs

Harry Overend EX-VE3. An O.T. from the early days of radio in Belleville is in the body shop.

Southward Bound

Howard VE3BEE & KYL left for Florida before Xmas. Has sked. with VE3RL at 2 PM Mondays at 14.200.

New Antenna

Howard VE3RL reports that his ground plane on 20 is a revelation compared to the old dipole.

New Equipment Reports

We would like to see a more critical assesment of new equipment in Q.S.T. You can't have your cake and eat it. If you are going to set yourself up as a critic you must be objective. As things stand now this feature in QST is a waste of space. We notice that CARF is also doing the same thing - a bad start for a feature that could be of real use to Amateurs.

For Sale

Marcel VE2BGC/3 now at CFB Petawawa has a DX60 and an FTDX400 for sale - contact Howard VE3RL for details.

Wanted

Any dope you have on the old surplus #19 set. See Howard VE3RL. Can make copy & return to you.

Late Flash

Just before going to press we received the sad news that ED DUNHAM VE3AIR of Cardiff is a silent Key. Longtime stalwart on Ontars and of late active in the Blackfly repeater group. A kindly man liked by everyone, he was always present at Conventions and Ham activities in the province. He enjoyed a wide circle of friends who will surely miss him.

-- RSO -- QSO --

"Talk to the World" Pamphlet - very popular, 16,600 copies already distributed. RSO planning on a 1st reprint. QARC should have a few copies on hand.

1978 RSO Convention - facilities very impressive for this annual meeting in London next Fall.

RSO Membership - holding steady. This is fine, but, Radio Society of Ontario will never grow unless the non-members become members. Join now! (Sounds like those wartime military posters).

VE3FPF Lawrie Purdy received RSO award in recognition of his work for the Society in the publication of TOA for three years up to 1976.

220 MHz Band - FCC has rejected this portion of the band for CB for the time being!

Radio Assisted Postal Service - It was suggested that a Volunteer Alternative Postal Service should be activated in the event of another postal strike. The RSO Executive considered this an inappropriate proposal as such a "service" might conflict with Radio Regulations as to commercial and strike-breaking aspects.

It's just a thought!! (although I may be branded as a "traitor"). Should provincial amateur radio societies be provincial branches of CARF? - Oops - - - if was just a thought.
