CLUB CALL VE3BSQ

QUINTE QRM

REPEATER
146.985-146.385

Membership dues for QARC are \$6.00 per calander year. Contact Treasurer Claude Roy VE3IVR, 8 Gilbert St., Belleville, Ont. - K8P 3H2, 966-6280. Membership is open to anyone having an interest in Amateur Radio. It is not necessary to be a licensed Amateur to be a member. The President for 1979 is Grant Kyte VE3IVU, Box 426 Stirling, Ont. KOK 2E0, 395-3034. Vice Pres. George West VE3GPJ, Box 1521 Belleville, Ont., K8N 5J2, 968-9834. Secretary is Bob Courtney, VE3KFT, 16 Mary St., Tweed, Ont. - KOK 3JO, 478-3531.

DATE OF MEETING - - 11 April Wed. 8 PM.

Place - - Loyalist College, Pioneer Bldg., Room 24.

Program - - CLAUDE ROY Air Control Officer C.F.B. Trenton, will tell us all about the system of air control used at the Base. He will cover the VHF air to ground system, the radar system and the procedures used.

WANTED - A good VTVM. Contact Len Coward VE3FGV, 392-6211. 24 Catherine St., Trenton, Ont. K8V 5K5.

THE ECLIPSE

Although not seen here to any great extent, it was well covered on TV. Hope you caught it. That evening of 26 FEB. 6 meters was open with a good Aurora, from 5 PM to about 8 PM. We worked the east coast when we were still exposed to the sun. The east coast stations were also exposed. When darkness came it dropped off.

Amateurs on the lower bands are reporting in for the time of totality and we will be hearing about that soon in QST in the "World Above 50". Have you anything to report? - If so, I would like to hear from you. Contact VE3RL.

Some later reports indicate some back scatter and "E" openings on that day. How extensive is not clear as of press time.

VHF News - - The Pioneer ARC in Toronto are installing a repeater with an input on 448.3 MHz and an output on 443.3 MHz. They are also lending a hand with the CN Tower repeater on 449.4-444.4. This one can be hit from Belleville with 20 watts into a 12 DB gain antenna.

Silent Key - We regret to report that Jack Urquhart VE3PK passed away recently. Retired from Bell, he was an old time VHF man. Member number 2 of the PARC.

Suggested Program - - DICK VE3JBO could be talked into coming to Belleville to give a talk on the VUCOM I terminal. You computer types would no doubt find this of interest. If the program chairman would like to schedule this - I will see what I can do. Please contact VE3RL.

PAGE "2"

Condolences - - - to the family of JIM ROBINSON SWL. Longtime member of the QARC. JIM was an active CB'r for many years. Always out for Field Day he was well liked by all who knew him within the QARC & CB Club and had many friends in all walks of life.

also to TIM VE3HCM we offer our sympathy on the loss of his father.

VE3HRA - - - DONALD PUGH VK6DN ex VE3HRA son of Ernie Pugh of Belleville and brother of Dr. George Pugh of Vancouver (also a VE7), was seriously injured in an auto accident in Western Australia. Expected to be in hospital in Perth, W.A. for many months.

Bill VE3HJ and Howard VE3RL had been in contact with Donald the past few months and have a contact in VK land that will allow us to keep tabs on his progress.

Some of you will recall that Donald spent some years in WAWA Ont., & was active from there.

WALKATHON - - We understand from GLEN VE3CJG that 418 wing will hold this event again this year. Help is needed again for communications as in the past. If you would like to use your mobile for a good purpose - contact GLEN VE3CJG.

Condolences - - To the family of Roy Haines of Marysville SWL, member of the QARC and prospective Ham. Roy was working on his ticket at the time of his passing.

Membership - - - In QARC stands at 88 as of March meeting. Still a few not paid for 1979. Let's try for 100. See CLAUDE VE3IVR our Treasurer.

New Bulletin Editors - - Appointed at the last meeting Frank BYO & Fred VE3HBV. They need help so news items of interest, technical tid-bits & items of general interest are solicited. Howard will lend a hand until they get their feet wet.

Program Chairmen - - Don VE3HGN & Howard VE3RL will try to come up with some interesting programs for you.

Field Day - - Larry VE3IVQ is chairman & band captains are :-

Eric VE3GSI	40 CW
Howard VE3RL	6 M
Willis VE3HZZ	2 M FM

10 meters should produce a large quantity of contacts this year. Anybody want to take this one on?? Still required is someone for 20 & 15 & 80. Henry VE6OEC says he will be here again from Calgary. We put a new roof on Archie's shack last year so "rain drops won't be falling on your head".

Morley VE3CYW is ready with his portable Niagara Falls as usual.

Amateur Exam - - D.O.C. has set May 9/79 as the next date and July 11/79 for the following one.

Page "3"

Net Controller - - Due to odd hours he works and going on course, Tim VE3HCM is no longer looking after the net. We need someone to look after the net. We need someone to look after it & organize controllers - anybody like to take on this chore??

Autopatch Repeater - - The unit has been removed from it's old location at the Bell school and is now in the custody of the repeater committee.

A meeting will be held soon to make plans for its installation at a new location.

In Town - - - Rick VE3EJB Past President who moved to the Big Smoke is now transferred to London. He was in town recently. Paid his dues for 1979 in QARC & bought himself some new gear.

New Gear - - Yaesu have discontinued the famous 101E line of transceivers. The 901 is still in and also the 200. The new rig they have announced is the 101ZD. Looks like a 901 but is really an improved 101. It's main features are 6164 in the final. and a width control which was long overdue. Some of the fancy accessories such as DC supply are now add ons.

New Call List - - Please check your name & address on the old list and on the Bulletin envelope. Report any errors to VE3RL. Phone numbers will be on the new list also, so if you have had a number change lately please let us know. We will try to respect unlisted numbers, but just to be sure let us know your wishes in this regard please. Unless otherwise notified any number in the book will be on the list. The list will include all Amateurs in the Kingston - Belleville area and a section at the end will cross reference to names.

Wanted - - - Any copy of the Radio Amateurs Handbook (ARRL) dated 1940 or earlier.

Any copy of the Radio Handbook (Published by Editors & Engineers) dated 1942 or earlier. Please call Howard Fralick VE3RL phone - 968-7844. Will trade or swap for anything or pay \$10.00 for one of the above in fair to good condition.
